

MATCHING GRANT PROGRAM

Southern California ReLiEF is excited to announce a new member resource for participating districts! In an effort to encourage and assist members in the pursuit of innovative ideas to manage risk more effectively, the Board of Directors has allocated \$250,000 for a ***Matching Grant Program***.

Under this program, eligible districts can receive up to \$25,000 to offset the cost of any new products or services designed to prevent property or liability claims. Grant monies are not eligible for general maintenance or mandated costs. All grants are subject to review and authorization by the Underwriting & Loss Control Committee.
